The Diamond Series is a series of events sponsored by Hoosier, rewarding teams with a a minimum purse structure of \$4000 to win/\$400 to start along with an extended point fund for the top 5 drivers throughout the series. Williams Grove Speedway also purchases tires from Hoosier Mid-Atlantic to be given to teams.

FORMAT SUMMARY

- Drivers draw for time trial order at the beginning of the event.
 - Each driver receives two laps for time trials, in which the fastest time will be used to determine finishing order.
 - Drivers missing their assigned spot by more than 2 positions, will receive 1 lap at the end of time trials and cannot make the heat race invert.
- There will be 2-4 heats (qualifying races) depending number of cars.
 - Four cars will be inverted in each heat race (from time trial finishing positions).
- If over 24 cars are entered, a consolation race (B-Main) will be run.
 - X amount of top finishing cars from each heat will qualify directly to the A-Main, the remaining cars will be entered into the consolation race. (depending on number of cars).
 - Drivers must finish in a qualifying position to make A-Main invert.
 - X amount of the top finishing cars in the consolation race will advance the A-Main.
 - The fastest two cars from time trials, not making the A-Main will line up on the front row of the B-Main. The rest of the lineup will be determined by heat race finishing order.
- The winner of each heat race and the top qualifiers from time trials who qualify though their heat race, but did not win will go into the feature inversion.
 - 8 cars will be eligible for the A-Main inversion, with the top qualifier drawing a pill of 0-4-6-8. There will be one #0 pill, six #4 pills, six #6 pills and one #8 pill.
 - Positions 9-20 + the top 4 advancing from the B-Main will be lined up by time trial finishing position.
 - The first car not qualified for the A-Main will become the alternate if another car cannot compete.
